

Arise!

G **G/B**
Awake, Jerusalem, awake!
C **C-D**
No longer in your sins lie down;
G **G/B**
The garment of salvation take,
C **C-D**
Your beauty and your strength put on.

Em **C**
Shake off the dust that blinds your sight,
G/B **D**
And hides the promise from your eyes;
Em **C**
Arise, and struggle into light,
G/B **D**
The great Deliverer calls: Arise!

Chorus:

G **G/B** **C** **Em** **D**
Arise and take your place O chosen one
G **G/B** **C** **Em** **D**
And go! Declare the works- the Lord has done

Verse 2:

Shake off the bands of sad despair;
Zion, assert your liberty;
Look up, your broken heart prepare,
And God shall set the captive free.

Vessels of mercy, sons of grace,
Be cleansed from every sinful stain,
Be like your Lord, His Word embrace,
Don't bear His holy Name in vain.

Ending:

G/Bm-C-Em-D We are children of the King
G/Bm-C-Em-D We will celebrate and sing
G/Bm-C-Em-D Sing the song of the redeemed
G/Bm-C-Em-D We are His and we are free
