

Surrender

Verse 1:

Dm Bb
Leaving the many joining the few

Our lives abandoned we run after You
Dm Bb
The world behind us, the cross in view
C F C/E
Our sole ambition to run after You

Bridge:

And to fall down, fall down at Your feet
And to hail You, hail You as our King

Chorus:

 F C
Make this our generation's cry
 Dm Bb
That though we live or though we die
 F C/E Dm Bb
We surrender Lord, we surrender

Make this our generation's song
That all we have is Yours to own
We surrender Lord, we surrender

Ending:

All to Jesus I surrender
All to Him I freely give
I will ever love and trust Him
In His presence daily live
