

Who Can Compare?

G Gsus
Who then is like You?

G Gsus
Who can compare?

G
You made the seas and the mountains
Gsus G Gsus
And You formed the earth with Your hand

Who then is like You?
Who can compare?
You sit enthroned in the heavens
You rest your feet on the land

D
If You're not the One we praise
Em C G
Whom will we adore?

D
God there is none like You
Em C D
You alone are Lord

Chorus:

G C Em D C
Lest the rocks cry out to their Maker- We will praise
G C Em D C
Lest the stars announce their Creator- We'll proclaim
Am Em C D G
We will sing a song that tells the nations- You are God

Who then is like You? Who can compare?
You bring the stars in the heavens
You call them each one by name

Who then is like You? Who can compare?
You are the One who commands all
The winds and the storms and the rain

If You're not the One we praise
Who will we adore?
God there is none like You.
You alone are Lord.
