The deep despair, the self-disdain I feel

The striving of my hands

To meet the Law's demands

Can only hurt but has no pow'r to heal

At the cross, on the mount when the Savior died

**Em D/F# A**

Grace declared with a shout, "God is satisfied!"

**G**

Sin is slain, law is bound by His final breath

**Bm**

Chains are crushed, what a sound

**Em D/F# Bm G A**

Now my soul can finally rest

**D**

At the cross

Now there's no need to strive

I'm free to live His life

By the pow'r of Christ working in my soul

He's all my confidence

My strength and righteousness

His hand that saved will surely lead me home

...Freedom to love, freedom to worship Him

Let freedom reign in us (2x)

...Freedom to praise, freedom to sing to Him

Let freedom reign in us (2x)

...Freedom to shout, freedom to tell of Him

Let freedom reign in us (2x)

...Freedom to rise, freedom to reign with Him
